CLASS HISTORY

My but it was a gay little group that entered the first grade of Homer School in the fall of 1937. We were met at the door by Miss Neva Keener (Mrs. Russel Eshelman) who was very patient with us. (generally) Of that group five are with us now; Dave Fritzsche, John Stine, Richard Nolt, Fred Stevenson, and Doug Hummel. Jeanne Ann Summerton joined us in the first grade.

The second grade was uneventful except for two things. One morning during the winter there was a big snowball fight and nobody heard the bell ring. (except the teacher) As I recall it there was quite a line of boys and girls across the front of the room that morning. During this year only three people had perfect attendance. The rest of us had measles. Olive Eldred joined us this year.

The third grade took us to Miss Hasting's room. Richard Nolt left us for a time. We remained in the same room in the fourth grade and were glad to welcome Belva Bishop and Natalie Mantz into our class.

Boy we really thought it was a pleasure to climb all those steps to the fifth and sixth grades. (it isn't so much fun anymore.) During these two years under Mr. Jeffery, Kenneth Gentry entered our class in the fifth grade and Alan Lang and Shirley Kleinfeld in the sixth. Richard Nolt rejoined us in the fifth. At the end of the sixth grade Bill DeVoe left our class to go to Lodi.

In the seventh grade there were four additions to our class; Gary Badger, Charles Taffin, Melvin Cole, and Dick Rogers. In the eighth grade we were one of the quiet classes in school.

The Freshman class was joined by Lois (Blondie) Wilcox and Bill Friend. Jerry Franks left during the year to finish school in Lodi. We were initiated into high school by the Sophomores sometime during the first semester.

During the Sophomore year Dean Schempp came to us from Chatham. This time we did the initiating. Dick Rogers went to Polk to continue his schooling at the end of this year.

Our Junior year was high-lighted by the Junior class play, "TRUTH BY STRATEGY" and the Junior-Senior Banquet at Mozzino's. Both events in one week. We were sad to see two more of the girls leave during this year. Blondie went back to Akron and Shirley moved to Florida. That left us with twelve boys and just four girls who are still with us.

Our Senior year was high-lighted by the typical activities of Seniors. In October we journeyed to Liberty Studios at Wooster to have our pictures taken. On October 11th and 13th we presented our Senior class play "THE CASE OF THE MISSING HEIRS." During the year, we had the usual disagreements about invitations and name cards. Now we are looking forward to Baccalaureate on May 22nd and Commencement on May 27th.

That's the history. For the future see Johnnie's "CRYSTAL BALL."

"THE CRYSTAL BALL"

I've always wondered how a gypsy maid,
Could tell one's future if she was paid.
So the other day I decided to see--
Just what news she could tell to me!

I said to her, "Now tell me all!"
She gazed into her crystal ball,
She said funny words, reached over the stand,
And placed a newspaper in my hand!

Then without a word she left the room,
And left me there in the gathering gloom.
Now all I gained by that curious caper
Was a very mysterious, predicting newspaper.

****

The title of the sheet is "The Homerville Blow"--
Published so that all the world may know.
It was published on May 30, 1969
By Richard L. Nolt and John L. Stine.

The headlines leap with words of fame!
"Alan Lang, has done it again,
Performed the worlds most daring trick,
Around the globe on a Po-Go Stick!"

It says right here in column two,
Our dear old Mayor has the Flu.
Mayor Hummel was quoted, "Indeed
I wish they would send me something to read."

The Army Air Force is proud to announce
The completion of their new "Flying Bounce."
The test pilot it was announced today,
Is Lieutenant Dave Fritzsche from Homerville way!

Here's the laziest story I've ever read!
It's about our lazy classmate, Fred.
It seems he's accomplished something quite rare,
Sat forty days in the same porch chair!

We turn the page and what do we see?
A picture of catastrophe--
It seems Gary Badger was driving too fast,
And smashed his old car up at last.

Across the page is an article of sports,
"Euchre is played best when dressed in Shorts!"
Author Kenneth Gentry has found a new way,
To play the same game day after day!

The movie section advertised a brand new show
Produced and cast by R. K. O.
The title is merely, "Not A Second Glance,"
And stars our own Miss Natalie Mantz.

Concert stages both near and far,
Proclaim the fame of "Olivevar!"
For a melancholy tune so mellow,
Softly floats from Olive's cello.

The sports section's crowded with games and scores,
And also with articles of the great outdoors.
Here's one especially that'll keep you laughin',
Written for all hunters by Charles A. Taffin.

Here is a page that you'll enjoy!
Prepared to interest every girl and boy.
"I'll see you in the funnies" is a saying of mirth,
But Cartoonist Bill Friend took it at it's worth!

The Classified Ads are quite a few!
Here are a couple I'll read to you.
But bear in mind, that you will find,
These were published in 1969!

Come to my Shoppe for a new hair-do!
I'll even curl your eye-lashes too!
Come on down if you've nothing to do,
Jeanne's Beauty Salon is waiting for you!

"Do you feel tired in body and soul?"
Asks the noted chemist, J. Melvin Cole.
"Then try my Remedy, it's bound to please!
It'll cure any ache, pain, break, or sneeze!"

Can you daughters cook for others to eat?
Or do they use such things as Shredded Wheat?
Don't let your daughter become an ignorant fool!
Send her to Miss Bishop's Cooking School.

I'll fix anything as good as new!
Make it cleaner, smoother, and brighter, too!
So Bring your car, Bus, or autogiro,
To Dean Schempp, Homerville, Ohio.

****

Will these things happen and come to be,,
And live as truth for us to see?
That, my friends, I do not know.
But the Gypsy Maid told me so!

FRESHMAN NEWS

The Freshmen have been as busy as little beavers since they joined high school. To make it really official, initiation took place September 30, with the Sophomores in complete charge. Of course, there was grave punishment for those who cheated on their penalties.

The return party was held on November 8, at which the Freshmen were hosts. Everyone seemed to have a good time, although it wasn't as much fun. How could it be without funny costumes and stunts?

Altogether it was a successful year for these new comers. They even got together and sold Christmas cards to make some money.

SOPHOMORE NEWS

The Sophomores got things under way for the year by initiating the Freshmen at Albion of September 30. For this, the return party same on November 8.

Then they got to work. Selling ice cream at basketball games. It took lots of high pressure salesmanship, but they seemed to make money.

Another way these sell genious Sophomores made money was to sell everyday cards. And by the way, at the last report, there were still some boxes left.

But it wasn't all work because they had a Christmas party at Marlene Simcox's. From all reports it was fun!

JUNIOR NEWS

When school opened in September, the Juniors had fourteen in their class. Of these, Janis Reece withdrew.

This year has been marked by considerable activity. The generous Seniors sold the Juniors their "hot-dog" stand and the pop business. They got busy at the basketball games and even added pop-corn just to be original. Incidentally, the pop-corn was popped by the Juniors themselves which accounts for the many burns they received. The class has collected cancelled stamps as in former years, and sponsored movies for the public.

They have selected their class play, "Introducin' Susan."

With the proceeds from these activities the Juniors hope to be able to give the Seniors and the faculty a banquet which they will long remember.

SWEET NOTES

At the beginning of the year, we were informed that no longer would there be any glee clubs throughout the county. Instead a special chorus was introduced.

Soon special groups were chosen. Among these were: quartet, John Stine, Richard Nolt, Richard Lenz, and Carl Schmetzer. Double quartet, Dean Schempp, Alan Lang, Kenneth Gentry, John Stine, Richard Nolt, Richard Lenz, Roger Blodgett, and Duane Schempp.

Sextet, Natalie Mantz, Marlene Simcox, Olive Eldred, Phyllis Howe, Sue Frank, and Rozella Keen.

Mixed octet, Olive Eldred, Marlene Simcox, Sue Frank, Rozella Keen, John Stine, Richard Nolt, Douglas Hummel, and Kenneth Gentry.

These groups practiced faithfully and on December 20, they presented a program. The sextet and the double quartet sang several numbers along with the special chorus.

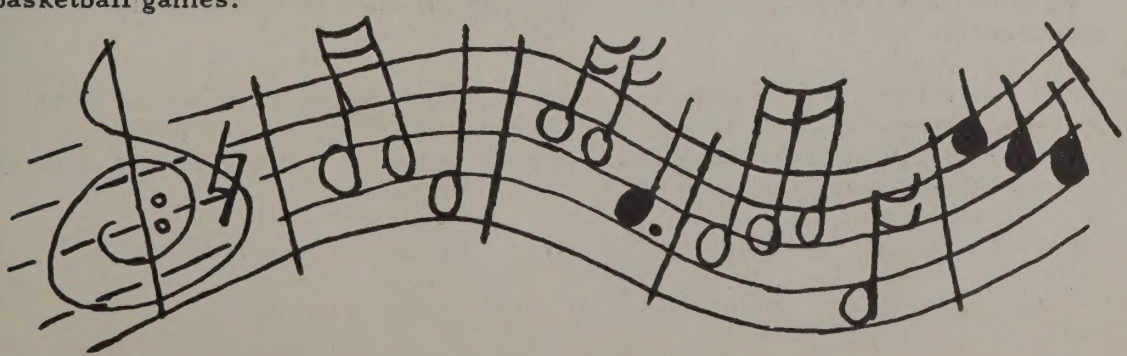
Rick Lenz was asked to represent our school at County Band Festival on January 24. Of those who heard the band play, a good report was returned.

Olive Eldred, Marlene Simcox, Sue Frank, Rozella Keen, Roger Blodgett, Marvin DeArmon, David Fritzsche, Kenneth Gentry, Douglas Hummel, Richard Nolt, Richard Lenz, Carl Schmetzer, Fred Stevenson, John Stine were chosen to represent our school at County Chorus Festival on February 7, at Medina. They did a very nice job from all reports.

At the Albion Institute, the Mixed chorus, sextet, boy's quartet, and boy's octet sang.

This year the band has been quite prosperous. It was asked to play at the Senior Class play between acts and did a fine job of it. At the Albion Institute they played also.

A new feature was the addition of four majorettes. These were Pat Boggess, Dorene Wood, Patsy Cayia, and Marilyn Rex. These girls performed at several basketball games.



Y-TEENS

Purpose of the Y-Teens organization: "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

"In this endeavor we seek to understand Jesus, to share His love for all people, and to grow in the knowledge and love of God."

The Y-Teens Club this year is composed of the Junior and Senior High as two individual groups. The Senior group is composed of twenty-four girls and the Junior group has a membership of twenty-one.

The Senior Y-Teens began their year by having a get-together in the Methodist Church. The Halloween season being near, the evening was spent playing games, telling ghost stories, and of course, eating.

The Junior Y-Teens likewise began their year with a Halloween party. On a crispy, fall day, the entire club set out on a picnic-hike after which they had a Masquerade Party.

One of the means of earning money was by having a bake sale on Election Day. This proved not only fun but profitable. During the Christmas season more money was raised for club projects, by selling Christmas tree decorations.

In early November a Sadie-Hawkins dance was held to the tune of the Blue Banner Boys. Everyone attending had a gay time.

In December a Christmas Party was attended by both groups. After eating a huge pot-luck supper and opening gifts the party ended perfectly by going carolling.

In addition to these outside activities one meeting a month was held during school-time.

The Junior and Senior Y-Teens cooperated in work and in play. Both were in charge of collecting money and supplies for the Red Cross packages. They also were in charge of collecting clothes for a needy family in the community.

As these Y-Teens grow older and years take them far apart the hope that the purpose "to grow as a person, to grow in friendship with people of all races, religions and nationalities; to grow in the knowledge and love of God" will not be forgotten.
